

ST. REGIS PUNTA MITA IS AN EXTRAORDINARILY FINE BEACHFRONT resort not far from *Puerto Vallarta, Mexico*. Located within a prestigious gated community, the St. Regis is both five-star and family-friendly. The resort's 22 acres are dotted with tile-roofed Mexican casitas set along the white-sand beach or amid tropical gardens. Mediterranean-style guest rooms are done up in creamy whites accented by lime-green and fuchsia tones and colorful handcrafted Mexican tiles. Just 120 exquisitely appointed guestrooms and suites with captivating ocean or garden views, all with a touch of rustic Provence combined with Mexican art and handcrafted furnishings. Appointed with every modern amenity, each offers the perfect retreat. The staff is incredible, a tribute to the respected General Manager *Carl Emberson*, whom we know from Mendoza, Argentina where he captained the great Hyatt there. Give in to the seduction of pampering treatments in the luxe *Remède Spa*, play on two *Jack Nicklaus Signature Golf Courses* or a tennis center nestled in a palm grove. The St. Regis Punta Mita Resort offers exquisite dining experiences for every occasion and taste, from fine dining at *Carolina*, the resort's signature restaurant, offering a seductive blend of bespoke service, casual luxury, romantic ocean views and distinctive flavors. The name Carolina pays homage to none other than Caroline Astor because of its refined mood. There's also authentically fresh Mexican food at *Las Marietas* or the California-influenced *Sea Breeze*. Nearby, the Marietas Islands beckon with natural beauty and outdoor adventures. Visit www.starwoodhotels.com/stregis/property/area/index.html?propertyID=1734.
